

## DEPARTMENT ACTIVITIES (2016-17)

<b>MONTH &amp; DATE</b>	
08 JUNE	<p>WORLD OCEANS DAY</p> <p>Theme for this year is "Healthy Oceans Healthy Planet". So we decided to keep mud pots for drinking water in the department and classrooms instead of brining and using plastic bottles. This scheme was inaugurated by our Principal Dr. Densely Jose.</p>
10 JUNE	<p>WORLD ENVIRONMENT DAY</p> <p>Department of M.Com IB, Nature Club and NSS jointly celebrated World Environment Week, 2016 by promoting and distributing 200 plantable paper pens containing a seed at its rear tips which grows into a tree.</p> <p>ONE PEN = ONE AGASTYA TREE</p> <p>Dr. Densely Jose, Principal inaugurated the programme. We distributed Entrée to Sri. Antony John, our MLA, Smt. ManjuSiju Kothamangalam Municipal Chairperson &amp; to the 20 Educational Institutions of Kothamangalam to bring awareness to the students about the concept OPEN WITH LOVE so that they take the responsibility to preserve the nature for us and for the generations to come. Entrée will be a new beginning to fight for the cause of a sustainable future.</p> <p>Entrée An eco – TREETment an initiative of Pure Living, by Lakshmi N Menon, Eco-evangelist.</p>
21 JULY	<p>INTERNATIONAL JUSTICE DAY</p> <p>Provided Awareness Classto the third semester students by Dr. Viji Ramakrishnan, Student Counselor, MAC</p>
28 JULY	<p>WORLD NATURE CONSERVATION DAY</p> <p>Students and faculty collected 25 varieties of medicinal plants which were once easily available at our premise, but are now at vanishing, endangering and threatening stage from our society, are handed over to the College Principal Dr. Densely Jose and Dr. Binu Varghese, Teacher-in-Charge of the Nature Club for planting in the College garden. Students also distributed grow bag kits each containing 6 varieties of medicinal plants to the 10 nearby houses at the college.</p>
5 SEPTEMBER	<p>TEACHER'S DAY</p> <p>Students celebrated Teacher's Day by visiting their school and meeting the teachers and took blessings and exchanged gifts.</p>
17 OCTOBER	<p>PENDRIVE INITIATIVE</p> <p>College Principal Dr. Densely Jose inaugurated the event, Students visited 30 Educational Institutions in Kothamangalam and Perumbavoor Municipalities and collected 35,566 used plastic pens in a weekand it was handed over to "Pure Living Organization, an initiative of Ms. Lakshmi N Menon, for creating an art installation during Kochi Biennale.</p>
14 NOVEMBER	<p>CHILDREN'S DAY</p> <p>Celebrated Children's Day by passing the message about the impact of plastic pens in our environment. Pens are most widely used by students so we need to start from the school level by giving awareness and promoting the use of ink pens to the upcoming generation. This is our humble beginning to make a Green India.</p>
